

# The Lion is on the move in Myanmar.

Together, by God's grace, we have been able to make a great difference in the lives of our brothers and sisters in Myanmar.

Since the ministry began in 2014, we have been blessed to have raised \$141,658.73.

With that money, we have:

- helped 16 churches in three Myanmar provinces to organize into a proto-presbytery
- helped them communicate with one another with new phones and computers
- built a new home for Rakhine Orphanage Centre (ROC)
- purchased a solar powered system for ROC
- bought a new truck
- supported 3 full-time pastors and orphanage staff
- started a music program
- bought more than \$12,000 of food and clothing

Change Thru Change raised \$11,480.

A new home was built for Rakhine Orphanage Centre (ROC).

This 4x4 Ranger has changed lives and made new ministry possible.

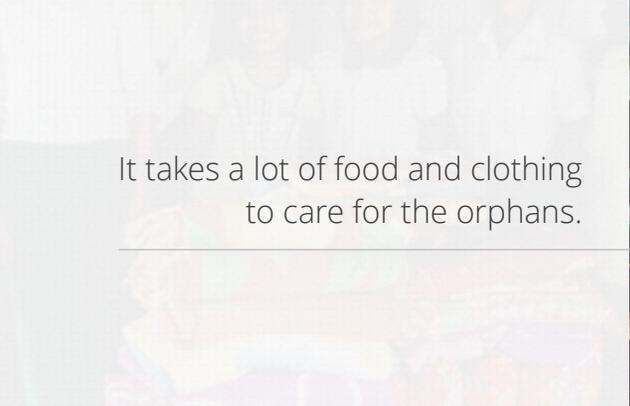

Cash crops were planted to help them become self-sufficient.

We brought home necklaces and sold them to raise funds.

It takes a lot of food and clothing to care for the orphans.

God worked powerfully through our prayers.

Medical Missions touched many.

- built a well at ROC
- helped with medical expenses and funerals
- and much, much more— more than \$52,000 worth!

Our goal has been to help our brothers and sisters establish themselves as self-supporting ministry. To that end we have spent \$43,000 helping them build for the future.

Traveling to and from Myanmar with our teams and getting Pastor Naing Thang here to the U.S. has made all this possible. It has taken \$21,652 to fund travel alone.

We learned fundraising is not an easy job nor one most people want to support; but without it, we could never have accomplished so much. Countless volunteer hours have been spent by many of you. We know now that your work made the difference. Fundraising expenses were just under \$10,000. That's only 7% of the total budget. The industry average is .20 to .50 for each dollar raised. We had no administration costs. Thank you for your commitment to the work.
